Navigation Company, the Oregon Transcontinental Italiroad Company, the Oregon Improve-ment Company and the Northern Pacific Ter-EDGING TOWARD BUTLER. The democratic party is being quite respect-ful, once more to the widow Butler. It is not minal Company, has led the Mail and Express of New York to notice the fact that these of operating corporations are nontrolled by the xactly courting the old lady, but according very same men; and surprise is expressed that the governments which commended the late New around the democratic singing school and quilt-Some of the lightning calculators in Hampshire decision that directors in such a case the east are figuring up the greenback and labor are incapacitated from voting, do not criticise the election of these companies. The facts in reform vote, and adding it to the democratic footing to see how near it will come to bridging: the Now Hampshire case, stated very briefly were that the directors of two mile ads cobthe trouble. The party can talk bravely about inating Governor Cleveland for the good on be is supposed to have end phirohased a majority of the stock of the latter, and made themselves directors of it, for the ducted in New York; they can stand on the same the represents all the dignity and grandeur of the party, and in other whys bid for the independent vote; but away down in their hearts than existing contracts. They accompashed that object. There was not actual fraud in the who represents all the dignity and grandeur of timesaction, but it was an instance of what was to don't regarded among railroad men han fair they don't care an old copper cent for all that. In fact they have no confidence in the ability of the independent vote to pull them through, and would go to Butler in a minute were they to and lawful capture of the Concord road by roads would go to Butler in a minite were they to which needed it as an outlet for the quantum up his contingent and party the day. They obvious way through the purchase of every took with pain and doght upon the democra's in the Butler contingent, and they are equally for in excess of its market value. By dis distressed to see the Irish vote, as well as some they will be inclined to argue that, if Butler directors of the Concord road, and me can gather the greenbackers, labor reformeds themselves very tavorable terms as L through and democrats all together in one happy [amil]. Business. A stock miller of the Cotcord Comit will pay them to sink their scruples, emp pany, who had not held out his interest, and their high sounding talk and propose to the who was not satisfied with the operation, brought applit in equity squimt all the cor-It is ovident that Butler has been carrying on porations and parties concerned to have kiese

a firstation with this is view. The wily politician lines it would be a point gained to set. The way come court decised that this must be all the stragglers together, and knew that it done, holding first, is his so often been field would not avail to go with the democratic nonlination and expect to get the other, too, so to begin to the whole body of the Compard was arranged to get those clinched in time to stockholders; then, that as such, they were was arranged by the control of the main wholly in appointed from making contricts object. He has a confidential manager, Mr. N. with themselves; that it made no difference mpton, who is now on a tour as a mis- whither such contracts were fair or nathir, sionary to convince this delegates who have been trapdulen, or fond fide, beneficial to the corchosen to go to libicago that it will never do for poration or the reverse; that being in a post ow off upon the greenbackers, and tion in which their duty to others and their them to throw on upon the greens a weak one. But-bis argument is by no means a weak one. But-ler, as the presidential candidate for two organ-absolutely debarred and incapacitated from izations, may hold the belance of power in sour cating. The simple principles upon which the of the doubtful states; and he is regularly cleoted decision rests are the snown westmess of hued as a delegate from Marsachusetta to the dem- man nature, and the peril of permitting any openly act with so many different parties noopenly act with so many different noopenly act with the noopenly act wit an explain, but he does, and nobody ap- its fiduciary character, or, as expressed by the pears to do anything thost it, or even comment supreme court of the United States, in a recent upon the strangeness of his political conduct, decision: The two positions impose different There is every reason to believe that Butter will obligations, and their union would at once District in a very reason to better unit mutter will be put in nomination, and if he is rejected by the convention, he will not he interest to rake any profitable bargain which may profite to this own benefit, not carring a struct for the transfer of the state have never we the part he may play in mining the democratic helieve, reached a similar conclusion on lany national cause. The parly managerd are begin-ning to see frow he is scountage his say into the are not legally incopacitated from making pensabilities, and they are trying to see how tracts with themselves. There is, however can save his contingent without putting great force in the objection which minority up for commander of the entire army. His stockholders might argo against the managein the continuation in the patric army. His stockholders might urgo against the manage nomination; may yet be accomplished; and, ment of their interests by men who may have a larger conflicting interest in another concern while his strength, as it may be figured up be-brehand, looks form dable, it would be found and so be morally paralyzed, if not legalty incapacitated for the performance of their duties in the end that his your would hardly be worth

PINNERTY FAITING, TOO. The chief of the republican bollers has a

Mr. Curtis edus the Harper's Workly; Mr. under any circu Finnerly edits the Utitizen; Harper's Workly! New Orleans." is a civilizer by occupation, and Finnerty's Oxizen looks after the Irishmen. Finnerty is a brilliant Irishman binned, and worked his the proprietorship of his paper and his so far as he has been able to gather opinions, seat in condress throng: bard knocks as re-, the republicans are confident that the bolt will porter, correspondent, general writer and hot cut a figure in the convention. New York, er. When it comes right down to votes, ' be is confident, will give a good republican truscan Curtis does with his civilizer. Now Fin. The president will have the gralitude of evslee waiting, sa Curtle is, to fee erybody in the country, excepting the Mormons, who the democrats will cominate at their con- for his reappointment of Governor Eli H. Marvention. The Irishman is inclined toward the Blaine ticket, and says "that those people ray of Utab. who are abusing Mr. Blains on account of his American ideas and the vigorous foreign policy that would probably mark his administration are doing more to help elect him than unything e. The people of this nation are disgusted ign governments. They are tired of this dish ny potentate of Europe, and our people want ace the honor and dignity of the nation main-ned at whatever cost." Of course Mr. Finnerty and his consultuency are much more intense indr feelings upon these matters then the avernd not the intense; but it is true that he is a whole hearted American and spells the American Nation with as big an N as Mr. Finnerty or any no else, and very likely this hearty Irishman: will get up such an admiration for him that and that means all the Irishmen who ever heard of him) to the Blaine standard. particular or general benefit to the Irianman . even if he has to magnify and idealize it a little. It will be one of the enriceities of the campaigu-I will be obse on a constraint and the state of the wild western CMT en should be arrayed against the New York Civilizer, and beat it at Majorities 2,047 28,610 28,612 24,271 34 882 11,222 24,176 16,033 the polls, as it surely will fi it comes over to Blaine. Finnerty is no: indobted to the demo-crats for his election so much as he is to his nationality, and he will make no bones of choosing the side that shall buil his Irish ideas best.
While he soil Curis are waiting to see which

Colonel Brath, commander-in chief, says that he grand army of the republic has mow 225,000 members, baring gained 42,000 in the last six months, mainly in the western states. Penn sylvania still has the lead of the states, having about 418 posts. New York follows with 454 posts, but a smaller membership than Pennsylvania. There are in the order about 4200 posts distributed all over America. Posts are rapidly being organ zed in Europe and elsewhere. The largest post is at Columbus, Obio, and has over PRESS CITE.

Black stockings are it fashion, so if the husband misses like in it can readily be accounted for.

All the signers of the declaration of independence agoed their names with a quit) per except one—he signed his With—an opper,—lake Worf.

A Kentocky man was reachity killed in a spel, and it is plonglis that this sections will have the effect of putting, damper on dualing in that take.

E.Jith—Vie, buy win lows are rather going out of rabion, and most of the houses how being is action are having mortgages placed on them instead.

There's making that finds so much appreciation as gallant conduct in birtie. A veteroo of Balekiwa has been reciving twive cuts per day from the British government.

"How old are you, my little mate" agent agentic-1000 members. About two years ago a post was rganized at Honolulu, which has a good membership, composed mostly of sailors who have made the Saidwich islands their home. A post will shortly to organized in Japan. The order during the last year dispensed \$132,000 for charitable purposes and has been effectual in ailding homes for soldiers, sailors, widows and orphans.

sides they will take, the Blaine proparations will move right along all the same.

as gallant conduct in battie. A veteron of Balekiava has been reciving twive this per day from the British government.

"How old are you, my little man" asked nigerileman of the young lions yesteday. "Well, sty." replied the young lions yested a paule in a Montreal heat one of a line of the young lions and the line in the years old as soon as the circus leaves.

A maliticular boy arested a paule in a Montreal heat one of a line of the dining room and calling out. "There chemes an a Cher from New York with a warrant." It was several became here used of the woods and return to their meal.—Darky Oraphic.

If there is anything that is calculated to make a warrant well on audulch it is after able has speni twenty ministes fature her bones, reministrate pow deving her kine, and five minutes puttish her zoom the right, by reads to the duor in answertent he bell and to be the with the liquity. "Buylander uses family soop, madeur likeven called for idionic security.

— Forkers interesson.

At a Teshevers of a quel the other right an old reigness of wine, and urning them, years for idionic centure.

At a theorem of a compel the other right an old reigness and urning them, years. If the wood to the line with the bone. "In turn body to it, I want somethin that'll old railed the laws the man, while a man this companies. "You a stick for his somethin's bard, as we make the work of the life is the right of the work to the region of the second of the found the negro water and said: "Bay, son't you yet relieve the old relieve's the body of the laws to me of the leave of the laws to me, that he would roll to take hours? I have a relieve with the region of the new tends and it. Bay, son't you yet in the life of the laws of the laws of the laws to me, the laws the laws here we will remain a relieve with the remaining at its life, he found the negro water and said: the keeping? I have a reliev The Topeka Capital deployee the withdrawal because the ponvention refused to adont a prehibition plank, because he thus addertakes "nassist in defeating the only party through which prohibition is to be made successful a this stain and the nation." The republical party bas given more aid to the prohibition cause than the dismorratic party doubtless, though it has not kiwaya been sincere in a support of prohibition. And yet the fact ha lately been recalled, that the Mainu law, which ras enacted in 1851, was enacted by a demogovernor at the demand of the democrate party of thospine tree state. The law has sin o open an-tained by the people of Maine without much regare to party.

The trustees of Howard college have wisely determined to abandon the custom of confer-ring the degree of EL. D. upon the governor of Massachusetts, whoever he may be, as a me k
of respect for the office he holds. Governor Bullionon will not have the LL Datherstore this year, and ex-Governor Butler can no long, the posse as a marry from whom the honor, was withheld for political reasons.

CO-OPERATING CORPORATIONS.
